In making such determination, the Head of the Office or his designated officer shall exercise reasonable diligence to ensure that no exception shall be used or availed of to deny any request for information or access to public records, or official records if the denial is intended primarily and purposely to cover up a crime, wrongdoing, graft or corruption.

SECTION 7. Protection of Privacy. While providing access to information, public records, and official records, responsible officials shall afford full protection to the right to privacy of the individual as follows:

- (a) Each government office per Section 2 hereof shall ensure that personal information in its custody or under its control is disclosed or released only if it is material or relevant to the subject matter of the request and its disclosure is permissible under this order or existing law, rules or regulations;

(b) Each government office must protect personal information in its custody or control by making reasonable security arrangements against leaks or premature disclosure of personal information, which unduly exposes the individual, whose personal information is requested, to vilification, harassment or any other wrongful acts.

(c) Any employee, official or director of a government office per Section 2 hereof who has access, authorized or unauthorized, to personal information in the custody of the office, must not disclose that information except when authorized under this order or *pursuant to* existing laws, rules or regulation.

SECTION 8. People's Freedom to Information (FOI) Manual. For the effective implementation of this Order, every government office is directed to prepare within one hundred twenty (120) calendar days from the effectivity of this Order, its own People's FOI Manual, which shall include among others the following provisions:

- (a) The location and contact information of the head, regional, provincial, and field offices, and other established places where the public can obtain information or submit requests;
- (b) The person or office responsible for receiving requests for information;
- (c) The procedure for the filing and processing of the request as specified in the succeeding section 9 of this Order.
- (d) The standard forms for the submission of requests and for the proper acknowledgment of requests;
- (e) The process for the disposition of requests;
- (f) The procedure for the administrative appeal of any denial for access to information; and
- (g) The schedule of applicable fees.

SECTION 9. Procedure. The following procedure shall govern the filing and processing of request for access to information:

- (a) Any person who requests access to information shall submit a written request to the government office concerned. The request shall state the name and contact information of the requesting party, provide valid proof of his identification or authorization, reasonably describe the information requested, and the reason for, or purpose of, the request for information: *Provided*, that no request shall be denied or refused acceptance unless the reason for the request is contrary to law, existing rules and regulations or it is one of the exceptions contained in the inventory or updated inventory of exception as hereinabove provided.

(b) The public official receiving the request shall provide reasonable assistance, free of charge, to enable, to enable all requesting parties and particularly those with special needs, to comply with the request requirements under this Section.

(c) The request shall be stamped by the government office, indicating the date and time of receipt and the name, rank, title and position of the receiving public officer or employee with the corresponding signature, and a copy thereof furnished to the requesting party. Each government office shall establish a system to trace the status of all requests for information received by it.

(d) The government office shall respond to a request fully compliant with requirements of sub-section (a) hereof as soon as practicable but not exceeding fifteen (15) working days from the receipt thereof. The response mentioned above refers to the decision of the agency or office concerned to grant or deny access to the information requested.

(e) The period to respond may be extended whenever the information requested requires extensive search of the government office's records facilities, examination of voluminous records, the occurrence of fortuitous cases or other analogous cases. The government office shall notify the person making the request of the extension, setting forth the reasons for such extension. In no case shall the extension go beyond twenty (20) working days unless exceptional circumstances warrant a longer period.

(f) Once a decision is made to grant the request, the person making the request shall be notified of such decision and directed to pay any applicable fees.

SECTION 10. Fees. Government offices shall not charge any fee for accepting requests for access to information. They may, however, charge a reasonable fee to reimburse necessary costs, including actual costs of reproduction and copying of the information required, subject to existing rules and regulations. In no case shall the applicable fees be so onerous as to defeat the purpose of this Order.

SECTION 11. Identical or Substantially Similar Requests. The government office shall not be required to act upon an unreasonable subsequent identical or substantially similar request from the same requesting party whose request from the same requesting party whose request has already been previously granted or denied by the same government office.

SECTION 12. Notice of Denial. If the government office decides to deny the request, in whole or in part, it shall as soon as practicable, in any case within fifteen (15) working days from the receipt of the request, notify the requesting party the denial in writing. The notice shall

clearly set forth the ground or grounds for denial and the circumstances on which the denial is based. Failure to notify the requesting party of the action taken on the request within the period herein stipulated shall be deemed a denial of the request for access to information.

SECTION 13. Remedies in Cases of Denial of Request for Access to Information.

(a) Denial of any request for access to information may be appealed to the person or office next higher in the authority, following the procedure mentioned in Section 9 of this Order: Provided, that the written appeal must be filed by the same person making the request within fifteen (15) working days from the notice of denial or from the lapse of the relevant period to respond to the request.

(b) The appeal be decided by the person or office next higher in authority within thirty (30) working days from the filing of said written appeal. Failure of such person or office to decide within the afore-stated period shall be deemed a denial of the appeal.

(c) Upon exhaustion of administrative appeal remedies, the requesting part may file the appropriate case in the proper courts in accordance with the Rules of Court.

SECTION 14. Keeping of Records. Subject to existing laws, rules, and regulations, government offices shall create and/or maintain accurate and reasonably complete records of important information in appropriate formats, and implement a records management system that facilitates easy identification, retrieval and communication of information to the public.

SECTION 15. Administrative Liability. Failure to comply with the provisions of this Order may be a ground for administrative and disciplinary sanctions against any erring public officer or employee as provided under existing laws or regulations.

SECTION 16. Implementing Details. All government offices in the Executive Branch are directed to formulate their respective implementing details taking into consideration their mandates and the nature of information in their custody or control, within one hundred twenty (120) days from the effectivity of this Order.

SECTION 17. Separability Clause. If any section or part of this Order is held unconstitutional or invalid, the other sections or provisions not otherwise affected shall remain in full force or effect.

SECTION 18. Repealing Clause. All orders, rules and regulations, issuances or any part thereof inconsistent with the provisions of this Executive Order are hereby repealed,

amended or modified accordingly: *Provided*, that the provisions of Memorandum Circular No. 78 (s. 1964), as amended, shall not be deemed repealed pending further review.

SECTION 19. Effectivity. This Order shall take effect immediately upon publication in a newspaper of general circulation.

**FREEDOM OF INFORMATION
MEMORANDUM CIRCULAR**

FOR : ALL AGENCIES, DEPARTMENTS, BUREAUS, OFFICES AND INSTRUMENTALITIES OF THE EXECUTIVE BRANCH INCLUDING GOVERNMENT-OWNED AND/OR CONTROLLED CORPORATIONS (GOCCS), STATE UNIVERSITIES AND COLLEGES (SUCS), AND LOCAL WATER DISTRICTS (LWDS)

SUBJECT : GUIDELINES ON THE REFERRAL OF REQUESTED INFORMATION, OFFICIAL RECORD/S AND PUBLIC RECORD/S TO THE APPROPRIATE GOVERNMENT AGENCY OTHERWISE KNOWN AS THE “NO WRONG DOOR POLICY FOR FOI”

WHEREAS, Executive Order (EO) No. 02, s. 2016 was issued by President Rodrigo Roa R. Duterte to operationalize the Constitutional Right of Access to Information, and Policy of Full Public Disclosure in the Executive Department;

WHEREAS, Memorandum Order (MO) No. 10, s. 2016 designated the Presidential Communications Operations Office (PCOO) as the lead agency in the implementation of EO No. 02, s. 2016;

WHEREAS, Department Order No. 18, s. 2017, issued by the PCOO, created the Freedom of Information – Project Management Office (FOI-PMO) to exercise the mandate of MO No. 10, s. 2016;

WHEREAS, in order to ensure the policy of the President to have an open, transparent and accountable government, it is the mandate of the PCOO to develop programs and mechanisms to enhance the capacity of government agencies to comply with the FOI program;

WHEREAS, there is a need to break the prevailing “silo system” and lack of interconnection among government agencies, with the end goal of a government acting as a singular unit serving its primary client, its citizens;

NOW, THEREFORE, by virtue of PCOO's mandate to develop programs and mechanism to ensure compliance with the FOI program, particularly on addressing the issue regarding the referral of any requested information, official record/s, or public record/s to the appropriate government agency, these rules are hereby prescribed and promulgated for the information, guidance and compliance of all concerned:

Section 1. Purpose. – This rule seeks to set guidelines for the referral of any requested information, official record/s, or public record/s to the appropriate government agency by another agency which does not have in its possession or custody the requested information or records, or is not authorized to release the information to the public.

Section 2. Coverage. – This Order shall cover all government agencies under the Executive branch implementing the FOI Program, pursuant to EO No. 2, s. 2016 and all other related issuances, and applies to both paper-based and electronic form of requesting information.

Section 3. Request for Information. – Any person who requests for access to information shall comply with Section 9 of EO No. 02, s. 2016 and all other pertinent laws, existing rules and regulations, issuances, and orders. For purposes of this rule, information and records shall refer to information, official record/s, or public record/s as defined under EO No. 02, s. 2016.

Section 4. Acceptance of request. – As a general rule, all fully compliant requests for information shall be accepted by the FOI Receiving Officer (FRO) and FOI Decision Maker (FDM). No request for information shall be denied or refused acceptance by a government office unless the reason for the request is contrary to the Constitution, pertinent laws, existing rules and regulations, or it is one of the exceptions provided under the Inventory of Exceptions.

Section 5. Process of Referral. – When the requested information is not in the possession of a government agency (government agency no. 1 or GA1), but is available in another government agency (government agency no. 2 or GA2) under the Executive Branch, the request shall be immediately referred by GA1 to GA2 through the most expeditious manner but not exceeding three (3) working days from the receipt of the request. This shall be considered as the “**First Referral**” and a fresh period will apply.

Referral to the appropriate government agency shall mean that another government office is the proper repository or custodian of the requested information or records, or have control over the said information or records.

If GA1 fails to refer the request within three (3) working days upon its receipt, the FRO shall act on it within the remaining period to respond pursuant to EO No. 02, s. 2016. No fresh period shall apply.

If GA1, in good faith, erroneously referred the request to GA2, the latter shall immediately notify the former as well as the requesting party, that the information requested is not available in their agency.

GA2, to whom the request was referred under the First Referral may subsequently refer the request to another government agency (government agency no. 3 or GA3) under the procedure set forth in the first paragraph of this Section. This shall be considered as the “**Second Referral**” and another fresh period shall apply.

Referrals under this Order shall only be limited to two (2) subsequent transfers of request. A written or email acknowledgement of the referral shall be made by the FRO of the government agency where it was referred.

The requesting party shall be notified of the referral and must be provided with the reason or rationale thereof, and contact details of the government office where the request was referred.

Section 6. FOI Internal Messenger. - The FOI-PMO shall create a “**FOI Internal Messenger**”. Such feature shall be included in the dashboards of FROs and FDMs, located at the eFOI portal or www.foi.gov.ph, where all FROs and FDMs can ask or confirm with each other on which agency has the control and custody of any information or record being requested.

Please see Annex “A” of this Circular for the No Wrong Door Policy Flowchart.

Section 7. Status of the Request. – A request that is referred to the appropriate government agency is considered **successful** if the same is acknowledged and the requested information is disclosed to the requestor.

If GA3, after the second referral, still cannot provide the information requested, it shall deny the said request and shall properly notify the requesting party.

In all phases of the referral, the requesting party shall be informed in writing, email, and/or through the eFOI of the status of his/her request.

Section 8. Inventory of Receiving Officers and Decision Makers, and Agency Information Inventory. – For the convenience of all FROs and FDMs

in implementing this Circular, an inventory of the names and contact details of all designated FROs and FDMs of government agencies, and an Agency Information Inventory (AII) shall be compiled by the FOI-PMO.

The FOI-PMO shall be the central repository of the inventory of all designated FROs and FDMs and shall collate and update the names and contact information of the designated FROs and FDMs of each government agency. The inventory shall be posted at the eFOI portal, www.foi.gov.ph. FOI-PMO shall strictly adhere to Republic Act No. 10173 or the Data Privacy Act of 2012.

To assist the FROs in locating the requested information or record, an annual updating of the AII shall be required of all agencies on-boarded on the eFOI Portal. The consolidated inventory of information shall likewise be made available in the dashboard of the FRO and FDM for ease of access and information.

Section 9. Separability Clause. If, for any reason, any part or provision of this Memorandum Circular is declared invalid or unconstitutional, the other provisions not affected thereby shall remain in full force and effect.

Section 10. Repealing Clause. All orders, rules and regulations, memoranda, circulars, and issuances or any part thereof inconsistent with the provisions of this Memorandum Circular are hereby repealed, amended or modified accordingly.

Section 11. Effectivity. This Memorandum Circular shall take effect immediately.

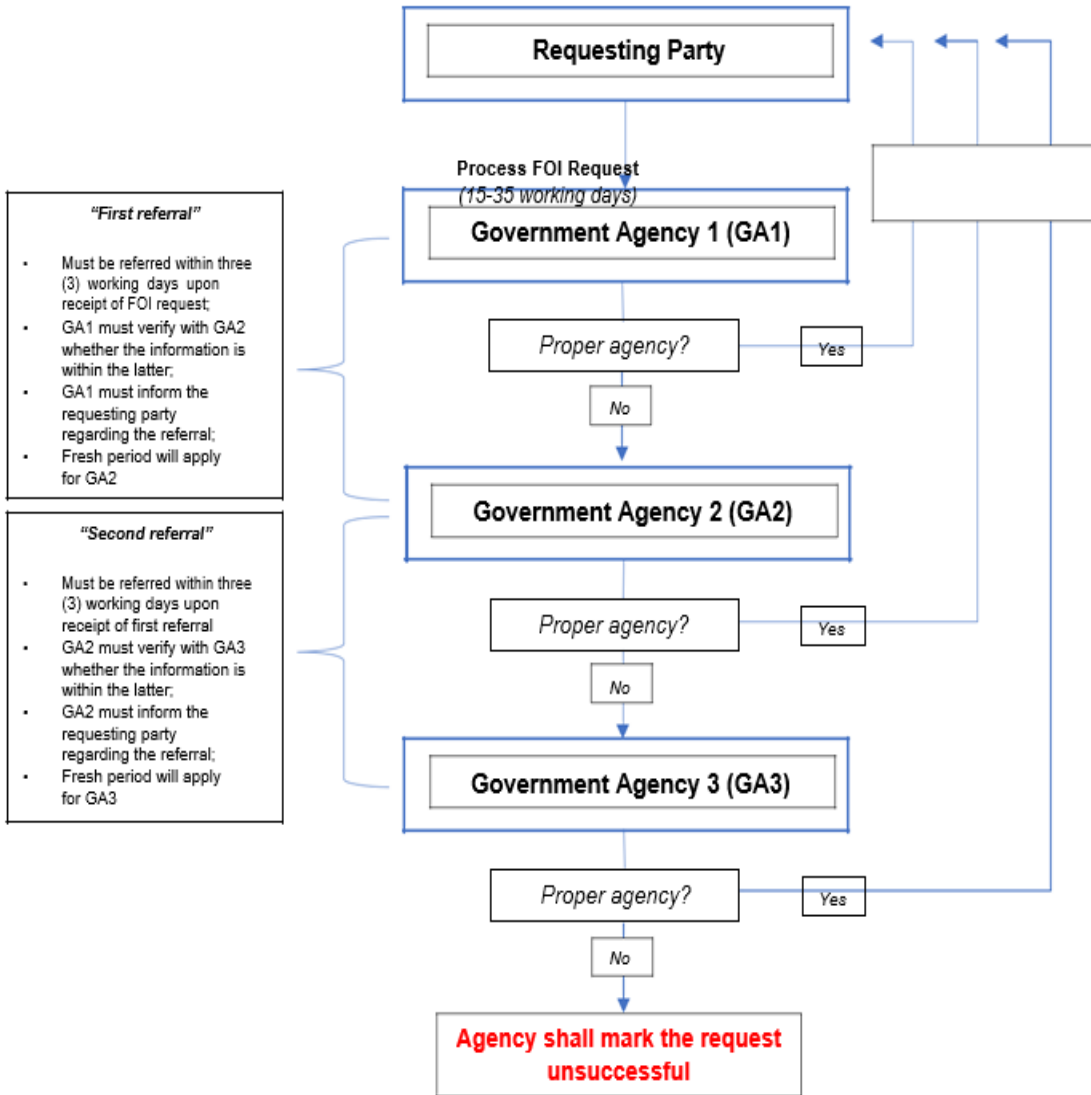

Manila, Philippines, 27th day of August 2021.
